## About the Board of Law Examiners . . . .

The Board of Law Examiners is the judicial agency responsible for administering the process of determining that applicants seeking to be licensed to practice law in Texas meet the qualifications set by the Supreme Court of Texas. The Board itself has nine members, appointed biennially by the Supreme Court. Each member must be an attorney, at least 35 years of age, with a minimum of ten years of experience in the practice of law. The Board has approximately seventeen full-time employees, including an Executive Director, Director of Eligibility and Examination, Director of Character and Fitness, Staff Attorney, and other employees who assist in carrying out the daily functions of the agency.

The Board's rules are adopted and promulgated by the Supreme Court of Texas. Acting under these rules, the Board investigates the character and fitness of students studying law in ABA-approved law schools in Texas who intend to apply for admission in Texas, as well as that of all applicants for admission to the Bar; holds hearings, when indicated, on the moral character and fitness of its applicants; makes determinations as to whether applicants have met all other Texas requirements for licensure; prepares, administers, and grades the Texas Bar Examination twice yearly and the Short Form Examination four times yearly. When the Board determines that a candidate has met all requirements, the Board certifies the applicant to the Supreme Court as being eligible for licensure. While the Board makes these determinations as to eligibility, only the Supreme Court has the authority to issue a law license.

In its character and fitness investigations, the Board looks into such matters as whether the candidate has been involved in criminal activities, fraudulent practices, financial irresponsibility indicative of a lack of respect for legal obligations, failure to comply with court orders, and other activities which have a clear and rational connection with the responsibilities an attorney owes to clients, the courts, and the legal profession. The Board is charged with making a determination, as to whether each candidate for admission to practice law, has the *present* good moral character and fitness required for admission to the Bar of Texas. Therefore, while a candidate is not automatically barred from becoming an attorney if any of these matters appear in his or her history, the Board does make a determination

as to whether such *past* activities have a *present* bearing on the individual's character and fitness at the time admission is sought. Often, such an individual may be required to appear at a public hearing before the full Board, so that the Board can consider all relevant evidence in order to decide whether such problems rise to the level of a lack of present good moral character and fitness. After such a hearing, if the Board finds that the activities do evidence a lack of present good moral character and fitness, the Board will render an order to that effect and decline to recommend the individual to the Supreme Court for licensure and admission to the Bar of Texas.

The Board conducts its business and carries out its responsibilities in meetings conducted approximately six times yearly. The Board is subject to both the Open Meetings Act and the Open Records Act, with certain exceptions authorized by statute and order of the Supreme Court, and notices of the Board's meetings are posted with the Secretary of State and published in the Texas Register, as required by law. The agenda of each board meeting includes an item entitled "Communications from the Public," and members of the public are invited and encouraged to attend and participate in the Board's meetings.

Each year, the Board processes the Declarations of Intention to Study Law filed by approximately 2,200 students at ABA-approved Texas law schools and approximately 1,250 applications of law graduates to take the Texas Bar Examination. In addition, each year the Board acts on about 400 applications to be admitted without examination and/or for the Short Form Examination. Out of all these applicants for admission to the Bar, the Board annually recommends that the Supreme Court grant Texas law licenses to approximately 2,500 individuals.

Once applicants are certified to the Supreme Court as eligible for licensure, the Board's jurisdiction over these individuals ceases. All disciplinary and grievance matters concerning licensed attorneys fall under the jurisdiction of the State Bar of Texas.

**RULE III  
LAW STUDY REQUIREMENT**

(a) The law study requirement for eligibility of an Applicant to take the Texas Bar Examination, unless otherwise provided by these Rules, is met by:

(1) graduation with a J.D. degree or its equivalent from an approved law school;

(2) satisfaction of all requirements for graduation from an approved law school with a J.D. degree or its equivalent; or

(3) study of law in an approved law school or schools by satisfying all requirements for graduation with a J.D. degree or its equivalent, except for not more than four semester hours or its equivalent in quarter hours; provided, however, that no person shall be licensed to practice law until graduation or satisfaction of all requirements for graduation, unless specifically excepted hereunder. If an Applicant under this subsection has not graduated with a J.D. degree or satisfied all requirements for graduation within two years from the date that all parts of the bar examination are satisfactorily completed, the Applicant's examination scores shall be void.

(b) If a law school was an approved law school at the time the Applicant enrolled, the law school shall be deemed an approved law school as to that Applicant for four years thereafter, regardless of its status at the date of the Applicant's graduation. If a law school was an approved law school at the time the Applicant graduated, the Applicant shall be deemed to be a graduate of an approved law school, regardless of the status of the school at the time the Applicant enrolled.

(c) If a person graduated from a law school that was not an approved law school at either the time the person enrolled or at the time the person graduated, the person is not a graduate of an approved law school even if the law school later became or becomes an approved law school.

**RULE IV  
GOOD MORAL CHARACTER AND FITNESS  
REQUIREMENT**

(a) No one shall be eligible for admission to the Texas Bar or for certification as a Foreign Legal Consultant until the investigation of such person's moral character and fitness has been completed, and it

has been determined by the Board that such individual possesses good moral character and fitness.

(b) Good moral character is a functional assessment of character and fitness of a prospective lawyer. The purpose of requiring an Applicant to possess present good moral character is to exclude from the practice of law those persons possessing character traits that are likely to result in injury to future clients, in the obstruction of the administration of justice, or in a violation of the Texas Disciplinary Rules and Professional Conduct. These character traits usually involve either dishonesty or lack of trustworthiness in carrying out responsibilities. There may be other character traits that are relevant in the admission process, but such traits must have a rational connection with the Applicant's present fitness or capacity to practice law and accordingly must relate to the legitimate interests of Texas in protecting prospective clients and in safeguarding the system of justice within Texas.

(c) Fitness, as used in these Rules, is the assessment of mental and emotional health as it affects the competence of a prospective lawyer. The purpose of requiring an Applicant to possess this fitness is to exclude from the practice of law any person having a mental or emotional illness or condition which would be likely to prevent the person from carrying out duties to clients, courts or the profession. A person may be of good moral character, but may be incapacitated from proper discharge of his or her duties as a lawyer by such illness or condition. The fitness required is a present fitness, and prior mental or emotional illness or conditions are relevant only so far as they indicate the existence of a present lack of fitness.

(d) The following provisions shall govern the determination of present good moral character and fitness of a Declarant or an Applicant who has been convicted of a felony in Texas or placed on probation for a felony with or without an adjudication of guilt in Texas, or who has been convicted or placed on probation with or without an adjudication of guilt in another jurisdiction for a crime which would be a felony in Texas. A Declarant or Applicant may be found lacking in present good moral character and fitness under this rule based on the underlying facts of a felony conviction or deferred adjudication, as well as based on the conviction or probation through deferred adjudication itself.

(1) The record of conviction or order of

deferred adjudication is conclusive evidence of guilt.

(2) An individual guilty of a felony under this rule is conclusively deemed not to have present good moral character and fitness for a period of five years after the completion of the sentence and/or period of probation.

(3) Upon proof that a felony conviction or felony order of probation with or without adjudication of guilt has been set aside or reversed, the Declarant or Applicant shall be entitled to a new hearing before the Board for the purpose of determining whether, absent the record of conclusive evidence of guilt, the Declarant or Applicant possesses present good moral character and fitness.

(e) The following provisions shall govern the determination of present good moral character and fitness of a Declarant or Applicant who has been licensed to practice law in any jurisdiction and has been disciplined, or allowed to resign in lieu of discipline, in that jurisdiction.

(1) A certified copy of the order or judgment of discipline from the jurisdiction is prima facie evidence of the matters contained in such order or judgment, and a final adjudication in the other jurisdiction that the individual in question has committed professional misconduct is conclusive of the professional misconduct alleged in such order or judgment.

(2) An individual disciplined for professional misconduct in the course of practicing law in any jurisdiction, or an individual who resigned in lieu of disciplinary action is deemed not to have present good moral character and fitness during the course of such discipline imposed by such jurisdiction, and, in the case of disbarment or resignation in lieu of disciplinary action, during the period of ineligibility for re-licensure in the other jurisdiction. No individual whose disbarment or resignation in lieu of disciplinary action was based on conviction of a felony or probation with or without adjudication of guilt shall be found to have present good moral character and fitness until the expiration of five years from the completion of the sentence and/or period of probation assessed with or without an adjudication of guilt.

(3) The only defenses available to an Applicant or Declarant under section (e) are outlined below and must be proved by clear and convincing evidence:

(A) The procedure followed in the disciplining jurisdiction was so lacking in notice or

opportunity to be heard as to constitute a deprivation of due process.

(B) There was such an infirmity of proof establishing the misconduct in the other jurisdiction as to give rise to the clear conviction that the Board, consistent with its duty, should not accept as final the conclusion on the evidence reached in the disciplining jurisdiction.

(C) The deeming of lack of present good moral character and fitness by the Board during the period required under the provisions of section (e) would result in grave injustice.

(D) The misconduct for which the individual was disciplined does not constitute professional misconduct in Texas.

(4) If the Board determines that one or more of the foregoing defenses has been established, it shall render such orders as it deems necessary and appropriate.

(f) An individual who applies for admission to practice law in Texas or who files a petition for redetermination of present moral character and fitness after the expiration of the five-year period required under subsection (d)(2) above or after the completion of the disciplinary period assessed or ineligibility period imposed by any jurisdiction under subsection (e) above shall be required to prove, by a preponderance of the evidence:

(1) that the best interest of the public and the profession, as well as the ends of justice, would be served by his or her admission to practice law;

(2) that (s)he is of present good moral character and fitness; and

(3) that during the five years immediately preceding the present action, (s)he has been living a life of exemplary conduct.

(g) An individual who files a petition for redetermination of present moral character and fitness after a negative determination based on a felony conviction, felony probation with or without adjudication of guilt, or professional misconduct or resignation in lieu of disciplinary action and whose petition is denied after a hearing, is not eligible to file another petition for redetermination until after the expiration of three years from the date of the Board's order denying the preceding petition for redetermination.

**RULE V  
PROFESSIONAL RESPONSIBILITY  
EXAMINATION REQUIREMENT**

(a) No Applicant for admission to the Texas Bar shall be issued a license to practice law in Texas until such person has furnished to the Board evidence that (s)he has passed the Multistate Professional Responsibility Examination (MPRE) with a scaled score of 85.

(b) A passing MPRE score is valid for five years from the date the MPRE is taken.

(c) If an Applicant has a valid, passing MPRE score on the date (s)he takes the Texas Bar Examination or Short Form Examination, the MPRE score is deemed to be valid for licensing purposes if the Applicant passes that particular Texas examination, even if the five-year period set out in (b) above expires before the Texas grades are released.

**RULE VI  
DECLARATION OF INTENTION TO STUDY  
LAW; GENERAL PROVISIONS**

(a) Every person who is beginning law study in an approved law school in Texas for the first time (an "entrant") and who intends to apply for admission to the Bar of Texas shall file with the Board a Declaration of Intention to Study Law, on a form promulgated by the Board.

(1) The Declaration shall show:

(A) the history, experience, and educational qualifications of the Declarant;

(B) the approved law school in which the Declarant is or was enrolled;

(C) the Declarant's criminal history;

(D) the Declarant's history of mental illness;

(E) the Declarant's history with regard to charges of fraud in any legal proceeding;

(F) the Declarant's involvement in any civil litigation or bankruptcy proceedings;

(G) the Declarant's willingness to take the oath required of attorneys in Texas;

(H) the Declarant's history as to compliance with court orders regarding child support and spousal support;

(I) the Declarant's history regarding repayment of federally guaranteed student loans;

(J) the Declarant's history regarding the filing of required federal income tax returns and the payment of federal income tax liability;

(K) the Declarant's history regarding payment to the IRS of payroll taxes (s)he collected as an employer of others; and

(L) such other information regarding the Declarant as the Board deems reasonably related to its investigation of the Declarant's moral character and fitness.

(2) The Board may require the Declarant to provide, in addition, such supporting documents relating to the Declarant as the Board deems reasonable.

(3) The Board may also require the Declarant to execute a consent form supplied by the Board, authorizing all persons, firms, officers, corporations, associations, organizations, and institutions to furnish to the Board or any of its authorized representatives, all relevant documents, records, or other information pertaining to the Declarant.

(b) The timely filing deadline for such Declaration, for which no late fees shall be charged, shall be as follows:

Fall entrants, December 1;

Regular Spring entrants, May 1;

Spring entrants at quarter-hour law schools, June 1;

Summer entrants, September 15.

(c) Declarations filed with the Board after the timely filing deadline will be accepted with the payment of applicable late fees as set forth in Rule XVIII, provided that, in the opinion of the Board, there is sufficient time for completion of the investigation of the late-filed Declaration. However, no Declarant shall be eligible to take the Texas Bar Examination, unless the Declaration and required fees are filed by:

For a February examination, the preceding June 1;

For a July examination, the preceding November 1.

The Board may, for good cause shown in writing, approve a waiver of this provision.

(d) Upon receipt of a Declaration, the Board shall note the filing date in its records. Absent a Declarant's written request to retain a Declaration, all Declarations will be destroyed five years after the date of filing if the Declarant has not activated his or her file by applying

to take the Texas Bar Examination during that five year period.

(e) The Board shall conduct a complete investigation of the moral character and fitness of the Declarant, including a preliminary investigation before forwarding any Declaration and supporting documentation to any District Committee on Admissions, as provided in Rule VII.

#### **RULE VII DISTRICT COMMITTEES ON ADMISSIONS**

(a) The District Committee on Admissions in each Bar District in Texas, appointed by the Supreme Court in accordance with applicable law, shall aid the Board in determining the good moral character and fitness of Declarants, to the extent required by the Board.

(b) The Board shall provide to the Chair of each District Committee on Admissions a list of all Declarations filed by the following persons:

(1) each Texas resident whose Declaration indicates that the Declarant's legal residence, prior to entering law school, was in the geographical area encompassed by such district; and

(2) each person who was not a resident of Texas when (s)he entered law school, whose Declaration indicates that the Declarant entered law school in the geographical area encompassed by such district.

(c) Upon written request of the Chair of such District Committee, the Board shall provide a copy of any person's Declaration, together with the information received in the Board's preliminary investigation. Upon receipt of such Declaration and preliminary information, the District Committee may conduct a personal interview of the Declarant. Such personal interview shall be before not less than five (5) members of the District Committee.

(d) The District Committee is authorized to use all reasonable means to satisfy itself that a Declarant possesses the present good moral character and fitness to practice law; provided, however, that in all cases, the District Committee shall treat Declarants uniformly and impartially.

(e) The District Committee, upon completion of its investigation, shall file with the Board, within sixty (60) days of its receipt of the Declaration and preliminary investigation, a written report, on forms provided

by the Board, as to whether, in the opinion of the Committee, such Declarant possesses the good moral character and fitness to be a candidate for admission to the Bar.

(f) The Board may, during the period of the District Committee's inquiry, provide to the Committee additional information and suggestions for further investigation; may direct the District Committees to employ such practices and procedures as the Board may deem appropriate; and may require the Committee to provide to the Board such reports and information with respect to the work of the District Committee as the Board may determine necessary.

#### **RULE VIII DETERMINATION OF DECLARANT CHARACTER AND FITNESS**

(a) After completing its own investigation and considering the reports, if any, received from the applicable District Committee on Admissions, the Board shall thereupon determine whether, on all the documentation before it at this stage, the Board is satisfied that the Declarant possesses the good moral character and fitness necessary for admission to the Texas Bar and shall advise the Declarant accordingly, no later than the 270th day after the date the Declaration and fees were filed with the Board. If the determination is that the Declarant does not have the requisite good character and fitness, such notice shall include:

(1) a detailed analysis of the results of the investigation; and

(2) an objective list of actions, if any, which the Declarant may take to correct the deficiencies and become qualified for admission to the bar after passing the Texas Bar Examination.

(b) A hearing may be set on any such preliminary negative determination, in accordance with the provisions of Rule XV.

(c) If the Board determines that a Declarant may suffer from chemical dependency, the Board shall direct the Declarant to meet with representatives of the Lawyers' Assistance Program of the State Bar of Texas or a similar program of the State Bar, and may require that the Declarant submit to a treatment facility for evaluation.

(d) If the Board determines that a Declarant does

suffer from chemical dependency, the Board shall assist the Declarant in working with the Lawyers' Assistance Program of the State Bar of Texas or a similar program of the State Bar in order to address the dependency.

### **RULE IX APPLICATION TO TAKE THE TEXAS BAR EXAMINATION**

(a) Each Applicant to take the Texas Bar Examination, whether or not such Applicant was required under Rule VI to file a Declaration, shall file an Application therefor with the Board as follows:

(1) For the February Examination, an Application shall be timely filed if the Board receives the required forms and fees between June 30 and August 30 of the year preceding the examination.

(2) For the July Examination, an Application shall be timely filed if the Board receives the required forms and fees between the preceding November 30 and January 30.

(3) Upon a showing of good cause or to prevent hardship, the Board may permit the Application to be filed later, upon the payment of applicable late fees as set forth in Rule XVIII. Other than as provided in subsection (f) of this Rule or Texas Government Code, Section 82.025, no Applicant shall be eligible to take an examination until such Application has been on file with the Board by the preceding October 30, for the February Examination, or by March 30, for the July Examination.

(b) The Application shall be made on a form furnished by the Board and calling for information reasonably related to a thorough inquiry into the Applicant's good moral character, fitness, legal education and other qualifications required in these Rules. Applicants who have filed a Declaration required under these Rules shall be required to complete the Application with information relating only to the period since the filing of the Declaration.

(c) The Board may require the filing of a Supplemental Investigation Form if:

(1) an Applicant previously filed a Declaration and did not apply to take the Texas Bar Examination within four (4) years of the filing date of the Declaration;

(2) two years have elapsed since the date the

initial Application was filed with the Board;

(3) two years have elapsed since the date a previously required Supplemental Investigation Form was filed with the Board; or

(4) in other situations deemed appropriate by the Board.

(d) The Applicant shall furnish proof satisfactory to the Board of compliance with the law study requirements of Rule III, and no Applicant shall be admitted to the examination until the Board has determined that these requirements have been met.

(e) Upon the filing of an Application, the Board shall note the filing date and shall initiate an investigation of the Applicant. For Applicants who filed a Declaration required under these Rules, the investigation shall cover only the period of time subsequent to the filing of the Declaration, unless other matters relevant to moral character or fitness not previously revealed in such Declaration shall have come to the attention of the Board.

(f) Any Applicant who fails a Texas Bar Examination may take a later examination upon filing a Re-Application and payment of the then required fees by January 15, for the February Examination, and by June 15, for the July Examination, **unless** another provision of these Rules requires the filing of a Supplemental Investigation Form, in which case the Applicant must comply with the regular Application deadlines. Late fees shall be waived for any Re-Applicant filing between the timely deadline and the Re-Application deadline, if such Re-Applicant took and failed the most recent examination given.

### **RULE X DETERMINATION OF APPLICANT MORAL CHARACTER AND FITNESS**

(a) After completing its investigation on the Application, the Board shall determine whether, on all the documentation before it, the Board is satisfied that the Applicant possesses the requisite present good moral character and fitness and shall advise the Applicant accordingly, no later than the 150th day after the date the Application or Re-Application and fees were filed with the Board. If the determination is that the Applicant does not have the requisite present good moral character and fitness, such notice shall include:

(1) a detailed analysis of the results of the

investigation; and

(2) an objective list of actions, if any, which the Declarant may take to correct the deficiencies and become qualified for admission to the bar after passing the bar examination.

(b) If, after investigation, the Board determines:

(1) that an Applicant may suffer from chemical dependency, the Board shall require the Applicant to submit to a treatment facility for evaluation;

(2) that an Applicant suffers from chemical dependency, the Board shall assist the Applicant in working with the Lawyers' Assistance Program of the State Bar of Texas or a similar program of the State Bar.

(c) A hearing may be set on any such preliminary negative determination, in accordance with the provisions of Rule XV.

Scores on the portions of the examination will be weighted as follows: the scaled MBE score will be multiplied by 2; the scaled Texas Essay score will be multiplied by 2; and the scaled Procedure and Evidence score will be multiplied by 1. <sup>1</sup> Through the administration and grade release of the July 1998 Texas Bar Examination any Applicant who has previously taken and passed either Part I or Part II of any Texas Bar Examination given from February 1989 through July 1993 and whose score on such part is still valid (i.e., five years have not passed since the date of the examination in which the part was passed) shall irrevocably designate, at the time of filing his or her first Re-application for any examination given in July 1994 or thereafter, whether (s)he elects to take the complete Texas Bar Examination and have applied to him or her the provisions of this subsection (e), OR whether (s)he elects to carry forward the passing result from a prior examination, subject to the limitations of prior subsections (e) and (f) of this rule. If the latter option is elected, an Applicant opting to take only the MBE and Texas Essay Questions will pass if (s)he earns on those portions scaled scores, which when added together, equal at least 4/5 of the combined scaled score necessary to pass the Texas Bar Examination at the time of the exam being taken. Likewise, an Applicant opting to take only the Procedure & Evidence Questions will pass if (s)he earns a scaled score equal to at least 1/5 of the combined scaled score necessary to pass the Texas Bar Examination at the time of the exam being taken. examination.

(f) An Applicant may take no more than five (5) examinations. However, for good cause shown, the Board at its discretion may waive this limitation upon such conditions as the Board may prescribe.

(g) Any Applicant who has failed the examination at least two times may submit a written request, within two weeks of the release of the examination results, for a Formal Review of the Applicant's performance on the immediately preceding examination (excluding the multistate portion). Such Formal Review shall take place in Austin, Texas at a time selected by the Board and shall consist of an individual oral review of such examination papers by the examining members of the Board. Regardless of the number of examinations taken, an Applicant may receive only one Formal Review under the provisions of this paragraph, provided, however, that no Applicant may obtain both a Formal Review and Informal Review of the same examination.

(h) Any Applicant who has failed the examination may submit a written request, within thirty (30) days of the release of the examination results, for an Informal Review of the Applicant's performance on his/her failed parts of the immediately preceding examination (excluding the multistate portion). The form of such Informal Review shall be either oral or written, at the discretion of the examining members of the Board. An Applicant may request an Informal Review each time (s)he fails all or part of an examination.

(i) The Board shall keep, for one year from the date of every examination, all failing parts of such examination. The Board shall not be required to keep any passing parts of any examination.

## **RULE XII EXAMINEES WITH DISABILITIES**

(a) The Texas Bar Examination and the Short Form Examination shall be administered to all eligible Applicants in a reasonable manner, while maintaining the integrity of the examination. In each city in which an examination is administered, the Board shall provide facilities that are reasonably accessible and which enable persons having disabilities to take the examination.

(b) Any Applicant who desires special testing

accommodations based upon a disability shall submit a written request to the Board on forms designated by the Board, such request to be submitted at the same time as the Application is submitted.

(c) A request for special testing accommodations must be accompanied by written proof evidencing the existence of the disability. Statements from licensed physicians or a professional specialist that specifically set forth the physical, mental or emotional handicap or disability and the relationship between the disability and the inability to take the examination under standard conditions shall be required. The Board may require additional information or evidence from the Applicant and may, at its option, seek professional evaluation of such data. The Applicant will be responsible for the cost of obtaining documented medical evidence and other required information.

(d) After considering the written request of the Applicant and the evidence submitted, the Board shall determine what reasonable special testing accommodations will be granted.

(2) Upon a showing that strict compliance with the provisions of (b)(1) or (2) of this Rule is impossible or very difficult for reasons beyond the control of the Applicant, the Board may in its discretion, waive or vary the Application of such provisions and permit the Applicant to submit other evidence.

(3) Upon completion of its investigation, if the Board determines that the Applicant possesses all

the qualifications set forth in paragraph (a) of this Rule, the Board shall recommend to the Court the issuance of a Certificate of Registration as a Foreign Legal Consultant.

(d) The Certificate of Registration as a Foreign Legal Consultant shall be valid for one year, unless revoked for good cause shown, and may be renewed upon the filing of an annual request, which shall be accompanied by payment of the annual renewal fee and such evidence as the Board shall deem necessary that all requirements for the issuance of an original Certificate continue to be met.

(e) Certified Foreign Legal Consultants shall be subject to control by the Supreme Court of Texas and to censure, suspension, removal or revocation of the Certificate of Registration in accordance with the State Bar Act, the State Bar Rules, and the Texas Disciplinary Rules of Professional Conduct applicable to members of the State Bar of Texas.

#### **RULE XV HEARINGS**

(a) The Board shall set a time and place for a public hearing on the question of the requisite moral character and fitness of an Applicant or Declarant, under the following circumstances:

(1) When any Applicant or Declarant who is the subject of a preliminary negative character and fitness determination files a written request for such a hearing within thirty (30) days of his or her receipt of the Board's letter containing the notice of such determination; or

(2) When the Board determines that, in the interest of fairness, such a hearing is necessary regardless of whether the Declarant or Applicant files a timely request for hearing.

(b) The Applicant or Declarant shall be given reasonable notice, by registered or certified mail, return receipt requested, of the time and place of the hearing.

(c) An Applicant or Declarant, either before or after receiving notice of a hearing, may agree to waive the hearing, stipulate to the facts regarding good moral character and fitness, and allow the Board to proceed with making a final determination as to the Applicant's moral character and fitness under these Rules. An Applicant may additionally agree to a Probationary

License and to any conditions imposed by the Board to protect the public.

(d) At the hearing:

(1) The Board or any opponent of approval of the moral character and fitness of the Applicant or Declarant, shall have the burden of proof and be required to present evidence that the Applicant or Declarant does not have the requisite good moral character or fitness. Upon the admission of such evidence, the burden of proof shall shift to the Applicant or Declarant to show that the Applicant possesses good moral character and fitness as defined in these Rules. However, in a redetermination hearing on a Probationary License, the burden of proof shall be on the Probationary Licensee to demonstrate that (s)he has complied with the conditions of the Probationary License.

(2) The Applicant or Declarant shall be given the opportunity to be present in person and by attorney, to present evidence, to confront and to cross-examine adverse witnesses, and to present argument to the Board on the issues of law and fact.

(3) Evidence and argument for or against the Declarant or Applicant may be presented by the Board or any other interested party.

(e) In connection with hearings conducted under this Rule, the Board shall have the authority to administer oaths, issue subpoenas, take depositions, and employ court reporters.

(f) After the hearing, in closed deliberations, the Board may:

(1) determine that a Applicant or Declarant has the requisite present good moral character and fitness and, in the case of an Applicant, should be recommended for admission to the Texas Bar;

(2) determine that a Declarant should be granted conditional approval of his or her present good moral character and fitness and be required to meet such conditions as the Board deems appropriate;

(3) determine that an Applicant should be granted conditional approval of his or her present good moral character and fitness and be recommended for a Probationary License subject to the terms of Rule XVI, after meeting all other requirements of these Rules;

(4) determine that an Applicant or Declarant does not possess the requisite present good moral character and fitness required for admission to the Texas Bar; or

(5) defer a decision until such time as the Board has the opportunity to consider further information, evaluations, or documentation as deemed necessary by the Board;

(6) in the case of either a temporary or probationary license, recommend to the Supreme Court that the license should be renewed in its present form, renewed with additional or amended conditions, or revoked and no regular license be issued.

(g) Within a reasonable period of time after the decision is made, the Board shall furnish to the Applicant or Declarant a written order setting forth the decision of the Board. If the decision is adverse, such order shall specify the bases of the Board's determination and shall include an objective list of actions, if any, the Applicant or Declarant may take to become qualified for a license to practice law in Texas. Any such order containing a determination that the Applicant or Declarant suffers from chemical dependency shall include provisions setting out the rights under Section 82.038, Texas Government Code.

(h) An individual who has been the subject of a Board order containing a negative character and fitness determination may petition the Board in writing for a redetermination hearing on the issue of character and fitness, as follows:

(1) No petition for redetermination may be filed earlier than the date specified in the Board's order (or if none, then no earlier than twelve months from the date of the hearing), nor more often than once every twelve months.

(2) Such individual shall have the burden of proof as to rehabilitation and the possession of present good moral character and fitness.

(3) Such individual shall complete and file with the Board a Supplemental Investigation Form and pay the requisite fees therefor within thirty (30) days of the filing of the redetermination petition.

(4) This subsection (h) shall not apply to character and fitness redeterminations in Probationary License cases, which are governed under the provisions of Rule XVI.

(i) The following provisions shall govern judicial review of the Board's decisions:

(1) The affected Applicant or Declarant shall institute, in the district courts of Travis County, Texas proceedings for review of such decision within sixty (60) days after the date the written decision is mailed

to the Applicant.

(2) The petition for review shall name the Board as defendant and shall be served on the Executive Director of the Board.

(3) After service of such petition, and within the time permitted for filing an answer, the Board shall file with the district court a certified copy of the record of the Board's proceedings.

(4) The review of the Board's decision shall be tried by the court without a jury.

(5) The court shall determine from the certified record on file whether or not the Board's decision is reasonably supported by substantial evidence. The reviewing court may affirm the action complained of or remand the matter to the Board for further proceedings.

(6) Appeals from any final judgment of the court may be taken by either party in the manner provided for in civil actions generally, but no appeal bond shall be required of the Board.

(j) The Board shall have the authority to adopt such other rules of procedure for hearings, not inconsistent with these Rules, as the Board deems necessary or appropriate to implement these Rules.

(k) The Board may assess costs against any Declarant or Applicant who has been sent reasonable notice of a hearing before the Board and who does not appear.

## RULE XVI PROBATIONARY LICENSES

(a) The Board shall have the authority to grant conditional approval of the present good moral character and fitness of an Applicant and to recommend the granting of a Probationary License, after the Applicant meets all other requirements under these Rules, in the following circumstances:

(1) when the Board determines that the Applicant suffers from chemical dependency or has been convicted of, or is on probation for, a first offense of driving while intoxicated under Article 67011-1, V.T.C.A.; or

(2) in other circumstances in which, on the record before it, the Board determines that the protection of the public requires the temporary monitoring of the Applicant in question.

(b) The Board shall not have the authority to

refuse to recommend the granting of a Probationary License to an Applicant who has passed the applicable bar examination solely because the Applicant suffers from chemical dependency or has been convicted for a first offense for driving while intoxicated under Article 67011-1, V.T.C.A.

(c) In any order recommending the issuance of a Probationary License to practice law, the Board shall specify the conditions of the license, which may include, but are not limited to, the following:

(1) prohibiting the use of alcohol or controlled substances;

(2) requiring treatment for chemical dependency;

(3) requiring the individual to practice law under the supervision of an attorney admitted to the Texas Bar;

(4) requiring submission to periodic, random drug testing;

(5) requiring the individual to report periodically to the Board;

(6) requiring suspension, for any portion of the probationary period, of an activity for which a license to practice law is required;

(7) requiring the individual to reside continuously in Texas during the period of the Probationary License, unless for good cause shown, the Board waives such requirement; or

(8) requiring the individual to take specific actions designed to cure or end any deficiencies in his or her moral character and fitness, as determined by the Board.

(d) Probationary Licenses shall expire as follows:

(1) A Probationary License issued solely because of the Board's determination that the individual suffers from chemical dependency shall expire on the second anniversary of the date on which it is issued, unless temporarily extended hereunder.

(2) Any other Probationary License shall expire on the date specified by the Board in the Order recommending issuance of the Probationary License, unless temporarily extended hereunder.

(3) The term of a Probationary License may be temporarily extended, upon the request of the Probationary Licensee, in the event that the normal expiration date falls before the Board has had the opportunity to make a redetermination as provided hereunder.

(e) A Probationary Licensee may apply for a renewal of the Probationary License or for a regular license to practice law, by filing a written request therefor, at least sixty (60) days prior to the expiration date of the Probationary License.

(f) The Board shall require any Probationary Licensee issued a Probationary License because of a determination of chemical dependency, prior to the redetermination hearing, to submit to an evaluation, at the sole cost of the Probationary Licensee, by a treatment facility approved by the Board.

(g) After a hearing held subject to the provisions of Rule XV herein on the redetermination of the character and fitness of a Probationary Licensee, the Board may:

(1) recommend, upon a finding of the requisite good moral character and fitness, the issuance of a regular license to practice law in Texas; provided, however, that in any case in which a Probationary License was issued on the basis of chemical dependency, the Board shall not recommend the Probationary Licensee for regular admission until the Board finds that the Probationary Licensee has successfully completed treatment and has been free from chemical dependency for the preceding two years;

(2) recommend, upon a finding that a condition of the Probationary License has been violated:

(A) extension of the Probationary License; or

(B) termination or immediate revocation of the Probationary License.

(h) The Board shall initiate and maintain a working relationship with the Lawyers' Assistance Program or similar program of the State Bar of Texas in order to provide for the evaluation and referral to treatment for those persons issued a Probationary License hereunder. The treatment and professional evaluation shall be at the sole expense of the Probationary Licensee.

#### **RULE XVII ISSUANCE OF LICENSE CERTIFICATES AND CANCELLATION OF LICENSE UNLAWFULLY OBTAINED**

(a) Upon an Applicant's becoming entitled to a license under these Rules, the Board shall certify such Applicant to the Supreme Court, whose Clerk shall thereupon issue the corresponding license in the form

of a written certificate. The license shall be issued only in the name as shown on the Applicant's birth certificate or as changed by the final order of a court of competent jurisdiction or by marriage, except that a given name may be omitted or represented by initial if the Applicant so requests in writing. No license shall be issued using an alias, assumed name, nickname, or abbreviation of a name.

(b) All law licenses are issued upon the condition that the Applicant has faithfully complied with these Rules. If at any time it appears that an Applicant has obtained a license fraudulently or by willful failure to comply with these Rules, after notice and hearing, the Board may recommend to the Supreme Court that such license be withdrawn and cancelled, and the name of the license holder stricken from the roll of attorneys.

(c) No license issued hereunder shall be valid unless the Applicant named therein has paid the required fees and has enrolled in the State Bar of Texas in compliance with the State Bar Rules.

(d) The license certificate belongs to the Supreme Court of Texas and shall be surrendered to the Court upon proper demand.

**RULE XIX  
REQUIREMENTS FOR PARTICIPATION  
IN TEXAS PROCEEDINGS  
BY A NON-RESIDENT ATTORNEY**

(a) A reputable attorney, licensed in another state but not in Texas, who resides outside of Texas may seek permission to participate in the proceedings of any particular cause in a Texas court by filing with the applicable court a written, sworn motion requesting permission to participate. The motion shall contain:

(1) the office address, telephone number, and, if available, the telecopier number of the non-resident attorney movant;

(2) the name and State Bar card number of an attorney licensed in Texas, with whom the non-resident attorney will be associated in the Texas proceedings, and that attorney's office address, tele-

phone number, and, if available, telecopier number;

(3) a list of all cases and causes, including cause number and caption, in Texas courts in which the non-resident attorney has appeared or sought leave to appear or participate in within the past two years;

(4) a list of jurisdictions in which the non-resident attorney is licensed, including federal courts, and a statement that the non-resident attorney is or is not an active member in good standing in each of those jurisdictions;

(5) a statement that the non-resident attorney has or has not been the subject of disciplinary action by the Bar or courts of any jurisdiction in which the attorney is licensed within the preceding five (5) years, and a description of any such disciplinary actions;

(6) a statement that the non-resident attorney has or has not been denied admission to the courts of any State or to any federal court during the preceding five (5) years;

(7) a statement that the non-resident attorney is familiar with the State Bar Act, the State Bar Rules, and the Texas Disciplinary Rules of Professional Conduct governing the conduct of members of the State Bar of Texas, and will at all times abide by and comply with the same so long as such Texas proceeding is pending and said Applicant has not withdrawn as counsel therein.

(b) The motion of the non-resident attorney seeking permission to participate in Texas proceedings shall be accompanied by motion of the resident practicing Texas attorney with whom the non-resident attorney shall be associated in the proceeding of a particular cause, which motion shall contain a statement that the resident attorney finds the Applicant to be a reputable attorney and recommends that the Applicant be granted permission to participate in the particular proceeding before the court.

(c) The court may examine the non-resident attorney to determine that the non-resident attorney is aware of and will observe the ethical standards required of attorneys licensed in Texas and to determine whether the non-resident attorney is appearing in courts in Texas on a frequent basis. If the court determines that the non-resident attorney is not a reputable attorney who will observe the ethical standards required of Texas attorneys, that the non-resident attorney has been appearing in courts in Texas on a frequent basis, that the non-resident attorney has been engaging in the

unauthorized practice of law in the state of Texas, that other good cause exists, the court or hearing officer may deny the motion.

(d) If, after being granted permission to participate in the proceedings of any particular cause in Texas, the non-resident attorney engages in professional misconduct as that term is defined by the State Bar Act, the State Bar Rules, or the Texas Disciplinary Rules of Professional Conduct, the court may revoke such non-resident attorney's permission to participate in the Texas proceedings and may cite the non-resident attorney as for contempt. In addition, the court may refer the matter to the Grievance Committee of the Bar District wherein the court is located for such action by the Committee as it deems necessary and desirable.

(e) The filing of a motion under this Rule shall constitute submission to the jurisdiction of the Grievance Committee for the District wherein the court is located. The county in which the court is located shall be considered the county of residence of said non-resident attorney for purpose of determining venue in any disciplinary action involving said attorney.

#### **RULE XX ORGANIZATIONAL AND MISCELLANEOUS POWERS OF THE BOARD**

(a) Upon completion of the tabulation of grades given on an examination and approval of such tabulation by the Chairman, the grades shall be mailed to the examinees at the addresses given on their Applications. The Deans of the Law Schools in the State of Texas shall be furnished a list of the candidates passing the Bar examination after release of results to the individual candidates. Prior to mailing grades to examinees, no grades shall be given by the Board by telephone to any person nor shall any Board member or employee of the Board give grades in person to an examinee or anyone inquiring on behalf of an examinee.

(b) Unless the Court designates the member of the Board who shall serve as Chairman, the Board shall have authority to select a Chairman. The Board shall select other officers from its own membership, assign their respective duties, may delegate power and authority to one or more of its members, and shall have authority to formulate the procedure of the Board.

(c) The Board shall keep and maintain its files on Declarants and Applicants until such time as their

destruction is authorized, as follows:

(1) Files in which a regular license has been issued shall be destroyed five (5) years from the date the license was issued.

(2) Files in which a Probationary License has been issued but no Regular License has been issued shall be destroyed ten (10) years from the date of the last formal activity on the file (i.e., petition for redetermination, hearing, order, expiration of last term of probationary license, issuance of regular license following redetermination hearing, etc.).

(3) Files in which a Declaration, but not an Application, has been filed shall be destroyed five (5) years from the date the Declaration was filed.

(4) Files in which an Application has been filed, but no Regular or Probationary License issued, shall be destroyed five (5) years from the date of the last formal activity on the file (i.e., Re-Application, examination, hearing, petition for redetermination, etc.), after inputting into the Board's computer data base pertinent and necessary data contained therein.

(d) Insofar as may be consistent with these Rules, the Board is authorized to make all reasonable regulations, including written interpretations of general application with respect to these Rules or provisions of general application for relevant subjects not covered by these Rules. The Board may also prescribe forms and certificates to be executed by Applicants for admission to the Texas Bar, whether for a first license to practice law or as a practicing attorney of another jurisdiction, or certificates or other forms to be executed by or on behalf of the Board itself.

(e) The Board is given discretion in the interpretation and application of these Rules. For good cause shown to the satisfaction of the Board, upon written request, waivers of specific requirements described in these Rules may be granted, unless it appears therefrom that no exceptions are contemplated by the Supreme Court.

(f) The Board may, in conjunction with its investigation of moral character and fitness or the administration of the bar examination, require Declarants and Applicants to furnish a complete set of fingerprints.

(g) The Board may delegate its duties to a panel of the Board or to the staff, as necessary and where not prohibited by law; provided, however, that the Board shall not delegate to staff its authority to make final

determinations that an Applicant or Declarant lacks the requisite good moral character and fitness.

(h) The Supreme Court hereby creates the Board of Law Examiners Fund which shall be comprised of all fees and monies received and interest earned by the Board and shall be used by the Board to administer the functions of the Supreme Court and the Board relating to the licensing of lawyers as directed by the Court. The Fund shall be maintained in one or more financial institutions in Texas, as designated by the Board.

(i) The Board shall have full power to contract for the performance of all of its functions, and any person dealing or contracting with the Board shall be conclusively entitled to rely upon the Board's written determination that the expense thus incurred or contracted is for a proper function of the Board.

(j) The disbursement of funds shall be according to such rules, regulations and budgets as the Board may adopt. The Board shall keep a full record of such receipts and disbursements.

**Sec. 82.038. Probationary License for Applicant Suffering from Chemical Dependency**

(a) If, after a moral character and fitness assessment, the Board of Law Examiners determines that the applicant suffers from chemical dependency, the board shall notify the applicant of its determination and of the applicant's rights under this section.

(b) To obtain judicial review of the board's determination that the applicant suffers from chemical dependency, an applicant must file a petition in the district court of Travis County before the 60th day after the date that the board delivers notice of its determination. The petition must name the board as a defendant and be served on the executive director of the board. Before the date on which the applicant may obtain a default judgment against the board, the board shall file with the district court a certified record of the proceedings before the board.

(c) A party is not entitled to a jury in a judicial review of the board's determination that an applicant suffers from chemical dependency. The court may not substitute its judgment for that of the board as to the weight of the evidence on questions submitted to the board's discretion but shall affirm the board's decision if the decision is reasonably supported by substantial evidence in view of the reliable and probative evidence in the record as a whole.

(d) The board may not deny a person who successfully takes the bar examination a probationary license to practice law solely because the person:

- (1) suffers from chemical dependency; or
- (2) has been convicted of or is on probation for a first offense of driving while intoxicated under Article 6701-1, Revised Statutes.

(e) The board shall specify the conditions of a probationary license to practice law, which must be designed to protect the public from the potential harm the person might cause. Conditions of a probationary license may include one or more of the following:

- (1) prohibiting the person from using alcohol or controlled substances;
- (2) treatment for chemical dependency;
- (3) supervision of the person's work by a licensed attorney;
- (4) submissions to periodic drug testing;
- (5) periodic reporting by the person to the board; or
- (6) suspension, for a portion of the probationary period, of an activity for which a license to practice law is required.

(f) A probationary license issued under this section expires on the second anniversary of the date on which the license is issued. A person who holds a probationary license may apply for a renewal of the probationary license or for a regular license to practice law. The board, after redetermination of the character and fitness of a person who holds a probationary license, may recommend to the supreme court that it grant the person a regular license to practice law. The redetermination must include an evaluation of the person by a treatment facility. The board may not recommend to the supreme court that the person be granted a regular license to practice law unless the board finds that the person has successfully completed treatment and has been free from chemical dependency for the preceding two years.

(g) The supreme court shall adopt rules under which the board and the State Bar of Texas jointly develop and fund a program for evaluation and referral to treatment for persons who have been issued a probationary license under this section.

(h) A probationary license may be immediately revoked if the person violates a condition of probation imposed by the board.

(i) In this section:

- (1) "Chemical dependency" means:
- (A) the abuse of alcohol or a controlled substance;
  - (B) a pathological use of alcohol or a controlled substance that chronically impairs the applicant's ability to competently provide legal advice or services; or
  - (C) a physiological or physical dependence on alcohol or a controlled substance.
- (2) "Controlled substance," "treatment facility," and "treatment" have the meanings assigned by Section 462.001, Health and Safety Code.
