About the Texas Board of Law Examiners

The Texas Board of Law Examiners is an agency of the Texas Supreme Court. The Board’s sole purpose is to qualify applicants for admission to the State Bar of Texas. The Supreme Court is ultimately responsible for admitting those applicants certified by the Board as eligible for admission to the State Bar of Texas. In performing its duties, the Board administers and interprets the Rules Governing Admission to the Bar of Texas, promulgated by the Supreme Court. The State Bar of Texas disciplines its members, independent of the Board’s work.

Nine Texas lawyers serve as members of the Board. They are appointed by the Supreme Court to serve staggered six-year terms. Each member must be a U.S. citizen, licensed to practice law in Texas, over the age of 35, and have been a practicing lawyer or judge of a court of record for a combined total of at least 10 years.

The Board staff investigates the background of every Bar applicant. The process begins with investigation of all first-year students in ABA-approved Texas law schools who intend to apply for admission after graduation. When Texas law students later apply for admission, the Board updates its investigation as the final step in certification of their character and fitness. Applicants for admission from other states and foreign countries are also investigated before being certified by the Board as eligible for admission. The investigation focuses on conduct indicating whether the applicant may have certain character traits or any currently existing mental or emotional condition likely to cause injury to a client, obstruct the administration of justice, or violate the Texas Disciplinary Rules of Professional Conduct if licensed to practice law.

The Board finally determines whether each applicant for admission has the good moral character and present fitness to practice law. In some cases, the Board may conduct a hearing to consider evidence offered by the Board staff and the applicant that is relevant to an applicant’s moral character and present fitness. After consideration of the evidence and argument presented at the hearing, the Board issues a written order either certifying the applicant for admission, conditionally certifying, or declining to certify and stating its findings of fact and conclusions of law in support of that decision. The Board’s character and fitness investigations, hearings, and orders are confidential by statute.

In addition to evaluating the character and fitness of Bar applicants, the Board is responsible for administration of the Texas Bar Exam as prescribed by the Rules Governing Admission to the Bar of Texas. The bar exam is administered semi-annually over three days during the last full weeks of February and July. Members of the Board draft the Texas Essay and Texas Procedure and Evidence portions of the exam and are responsible for grading answers to those portions as well as the Multistate Performance Test.

On behalf of the Supreme Court, the Board also receives payments for fees required of non-resident attorneys who seek to appear by permission before a Texas court. The Board remits all such fee payments to the Texas Comptroller for use by the Supreme Court in funding programs to provide basic legal services to indigent persons.

The Board’s business meetings and final decisions in character and fitness hearings are conducted in open sessions with public notice under the Texas Open Meetings Act. Board records are subject to the Public Information Act, except where confidentiality is required by statute, rule or order of the Supreme Court. At every public meeting of the Board, time is allotted for interested persons to address the Board on matters of public interest and concern.

**Rule 3**

**Law Study Requirement**

(a) The law study requirement for eligibility of an Applicant to take the Texas Bar Examination, unless otherwise provided in Rule 13, is met by:

(c) If an Applicant graduated from a law school that was not an approved law school when the Applicant enrolled and was not an approved law school when the Applicant graduated, the Applicant is not a graduate of an approved law school even if the law school later became or becomes an approved law school.

**Rule 4**

**Present Good Moral Character and Fitness Requirement**

(a) No one shall be eligible for admission to the Bar or for certification as a Foreign Legal Consultant until the investigation of such person’s moral character and fitness has been completed, and it has been determined by the Board that such individual possesses present good moral character and fitness.

(b) Good moral character is a functional assessment of character and fitness of a prospective lawyer. The purpose of requiring an Applicant to possess present good moral character is to exclude from the practice of law those persons possessing character traits that are likely to result in injury to future clients, in the obstruction of the administration of justice, or in a violation of the Texas Disciplinary Rules of Professional Conduct. These character traits usually involve either dishonesty or
lack of trustworthiness in carrying out responsibilities. There may be other character traits that are relevant in the admission or certification process, but such traits must have a rational connection with the Applicant's present fitness or capacity to practice law and accordingly must relate to the legitimate interests of Texas in protecting prospective clients and in safeguarding the system of justice within Texas.

(c) Fitness, as used in these Rules, is the assessment of mental and emotional health as it affects the competence of a prospective lawyer. The purpose of requiring an Applicant to possess this fitness is to exclude from the practice of law any person having a mental or emotional illness or condition which would be likely to prevent the person from carrying out duties to clients, courts or the profession. A person may be of good moral character, but may be incapacitated from proper discharge of his or her duties as a lawyer by such illness or condition. The fitness required is a present fitness, and prior mental or emotional illness or conditions are relevant only so far as they indicate the existence of a present lack of fitness.

(d) The following provisions shall govern the determination of present good moral character and fitness of a Declarant or an Applicant who has been convicted of a felony in Texas or placed on probation for a felony with or without an adjudication of guilt in Texas, or who has been convicted or placed on probation with or without an adjudication of guilt in another jurisdiction for a crime which would be a felony in Texas. A Declarant or Applicant may be found lacking in present good moral character and fitness under this Rule based on the underlying facts of a felony conviction or deferred adjudication, as well as based on the conviction or probation through deferred adjudication itself.

(1) The record of conviction or order of deferred adjudication is conclusive evidence of guilt.

(2) An individual guilty of a felony under subsection (d) is conclusively deemed not to have present good moral character and fitness and shall not be permitted to file a Declaration or an Application for a period of five years after the completion of the sentence and/or period of probation.

(3) Upon a credible showing that a felony conviction or felony probation, either with or without an adjudication of guilt, has been reversed on review by an appellate court, or that an executive pardon has been granted, the Declarant or Applicant shall be permitted to file a Declaration or an Application.

(e) The following provisions shall govern the determination of present good moral character and fitness of a Declarant or Applicant who has been licensed to practice law in any jurisdiction and has been disciplined, or allowed to resign in lieu of discipline, in that jurisdiction:
(1) A certified copy of the order or judgment of discipline from the jurisdiction is prima facie evidence of the matters contained in such order or judgment, and a final adjudication in the other jurisdiction that the individual in question has committed professional misconduct is conclusive of the professional misconduct alleged in such order or judgment.

(2) An individual disciplined for professional misconduct in the course of practicing law in any jurisdiction or an individual who resigned in lieu of disciplinary action (“disciplined individual”) is deemed not to have present good moral character and fitness and is therefore ineligible to file a Declaration or an Application during the period of such discipline imposed by such jurisdiction, and in the case of disbarment or resignation in lieu of disciplinary action, until the disciplined individual has properly filed an application for re-licensure in the disciplining jurisdiction, in accordance with the procedures established for re-licensure in that jurisdiction, and has obtained a final determination on that application.

Notwithstanding the foregoing provision of this paragraph (e)(2) and except as provided in paragraph (d)(2), if the period of discipline imposed by another jurisdiction exceeds five years, the disciplined individual may file a Declaration or an Application after the expiration of five years from the date of imposition of such discipline, provided that (s)he has obtained a final determination on his/her application for re-licensure in the disciplining jurisdiction.

(3) The only defenses available to an Applicant or Declarant under section (e) are outlined below and must be proved by clear and convincing evidence:

(A) The procedure followed in the disciplining jurisdiction was so lacking in notice or opportunity to be heard as to constitute a deprivation of due process.

(B) There was such an infirmity of proof establishing the misconduct in the other jurisdiction as to give rise to the clear conviction that the Board, consistent with its duty, should not accept as final the conclusion on the evidence reached in the disciplining jurisdiction.

(C) The deeming of lack of present good moral character and fitness by the Board during the period required under the provisions of section (e) would result in grave injustice.

(D) The misconduct for which the individual was disciplined does not constitute professional misconduct in Texas.

(4) If the Board determines that one or more of the foregoing defenses has been established, it shall render such orders as it deems necessary and appropriate.
(f) An individual who applies for admission to practice law in Texas or who files a petition for redetermination of present moral character and fitness after the expiration of the five-year period required under paragraph (d)(2) or after the completion of the disciplinary period assessed or ineligibility period imposed by any jurisdiction under paragraph (e)(2) shall be required to prove, by a preponderance of the evidence:

1. that the best interest of the public and the profession, as well as the ends of justice, would be served by his or her admission to practice law;
2. that he is of present good moral character and fitness; and
3. that during the five years immediately preceding the present action, he has been living a life of exemplary conduct.

(g) An individual who files a petition for redetermination of present moral character and fitness after an adverse determination based on a felony conviction, felony probation with or without adjudication of guilt, or professional misconduct or resignation in lieu of disciplinary action and whose petition is denied after a hearing, is not eligible to file another petition for redetermination until after the expiration of three years from the date of the Board’s order denying the preceding petition for redetermination.

(h) If an Applicant is alleged to have violated the Texas Bar Examination Security Policy, the Executive Director may withhold delivery of the Applicant’s Texas Bar Examination results until the allegation is resolved by the Board. If, after notice and a hearing, the Board determines that an Applicant violated the policy, the Board may deem the Applicant to have failed the Texas Bar Examination and prohibit the Applicant from taking the Texas Bar Examination in the future.

Rule 5

Multistate Professional Responsibility Examination and Texas Law Component Requirements

(a) Multi Professional Responsibility Examination. An Applicant for admission to the Bar must earn a scaled score of at least 85 on the Multistate Professional Responsibility Examination.

(b) Texas Law Component.

1. Except as provided in paragraph (2), an Applicant for admission to the Bar must successfully complete the Texas Law Component prescribed by the Board and approved by the Supreme Court.

2. An Applicant who passed the Texas Bar Examination before February 2021 need not successfully complete the Texas Law Component.
Rule 6
Declaration of Intention to Study Law
General Provisions

(a) Every person who is beginning law study in an approved law school in Texas for the first time (an entrant) and who intends to apply for admission to the Bar shall, unless prohibited from filing by these Rules, file with the Board a Declaration, on a form promulgated by the Board.

(b) The Declaration shall show:

(A) the history, employment, experience, and educational qualifications of the Declarant;
(B) any law school in which the Declarant is or was enrolled;
(C) the Declarant’s criminal history;
(D) any history of significant mental illness that is related to a history of misconduct;
(E) the Declarant’s history with regard to charges of fraud in any legal proceeding;
(F) the Declarant’s involvement in any civil litigation or bankruptcy proceedings;
(G) the Declarant’s willingness to take the oath required of attorneys in Texas;
(H) the Declarant’s history as to compliance with court orders regarding child support and spousal support;
(I) the Declarant’s history regarding re-payment of federally guaranteed student loans;
(J) the Declarant’s history regarding the filing of required federal income tax returns and the payment of federal income tax liability;
(K) the Declarant’s history regarding payment to the IRS of payroll taxes (s)he collected as an employer of others; and
(L) such other information regarding the Declarant as the Board deems reasonably related to its investigation of the Declarant’s moral character and fitness.

(3) The Board may also require the Declarant to provide such supporting documents relating to the Declarant as the Board deems reasonable.

(4) The Board may also require the Declarant to execute a consent form supplied by the Board, authorizing all persons, firms, officers, corporations, associations, organizations, and institutions to furnish to the Board or any of its authorized representatives, all relevant documents, records, or other
information pertaining to the Declarant.

(c) The timely filing deadline for such Declaration shall be as follows:
   (1) Fall entrants, October 1;
   (2) Regular spring entrants, May 1;
   (3) Spring entrants at quarter-hour law schools, June 1;
   (4) Summer entrants, September 15; and
   (5) Entrants transferred from out-of-state schools, within 60 days of
       matriculation at a Texas law school.

(d) Declarations filed with the Board after the foregoing timely filing deadlines will be
   accepted only upon payment of applicable late fees as set forth in Rule 18, so long
   as they are filed by the final filing deadline set out in Rule 9. However, regardless of
   the date a Declaration is filed, the Board shall have 270 days from the date the
   Declaration is filed to conduct its character and fitness investigation and notify the
   Declarant of the Board’s determination, as provided in Rule 8.

(e) Upon receipt of a Declaration, the Board shall note the filing date in its records.
   Absent a Declarant’s written request to retain a Declaration, all Declarations will be
   destroyed five years after the date of filing if the Declarant has not applied to take
   the Texas Bar Examination or to transfer a Uniform Bar Examination score from
   another State.

(f) The Board shall conduct a complete investigation of the moral character and
   fitness of the Declarant.

If the determination is that the Declarant does not have the requisite good moral character and fitness, such notice shall include:

(2) an objective list of actions, if any, which the Declarant may take to correct the deficiencies and to become qualified for admission to the Bar after completing all other requirements for admission.

d) Any preliminary determination that the Applicant possesses the requisite present good moral character and fitness is issued on the condition that the Applicant has faithfully complied with these Rules. e) The Applicant has a continuing duty to ensure the accuracy and completeness of the Applicant’s responses on the Application and to update those responses until the Applicant is certified to the Supreme Court for licensure. The Applicant shall notify the Board, in writing, as soon as practicable, but no later than 30 days after the Applicant knew or should have known of any information necessary to ensure the accuracy and completeness of the Applicant’s responses. The Applicant shall promptly furnish any additional documentation requested by the Board in connection therewith. The Board is authorized to re-open its investigation for up to 90 days following receipt of any addition, change, or update to information previously provided to the Board.

Rule 11
Texas Bar Examination

(a) The Texas Bar Examination will be given at such places as the Board may direct.

(b) The Texas Bar Examination will be given twice a year, beginning on the Tuesday before the last Wednesday of the months of February and July, unless the Board otherwise directs.

(c) An Applicant approved to take the Texas Bar Examination must attend the Texas
Bar Examination at the time and place designated by the Board.

(d) The Texas Bar Examination administered before the February 2021 administration will last two and one-half days and consist of the Multistate Performance Test (MPT), given on Tuesday morning; the Procedure and Evidence Questions (P&E), given on Tuesday morning; the Multistate Bar Examination (MBE), given on Wednesday; and the Texas Essay Questions (Essays), given on Thursday. After grading the answers to the MPT, the P&E, and the Essays, the resulting raw scores on each of these portions will be scaled to the MBE, using the standard deviation method. Scores on the various portions of the examination will be weighted as follows: MPT, 10%; P&E, 10%; MBE, 40%; and Essays, 40%. An Applicant must earn a combined scaled score of at least 675 (out of a possible 1,000 points) to pass the Texas Bar Examination. A partial score on any portion of a failed examination must not be applied to any subsequent examination.

(e) The Texas Bar Examination administered beginning with the February 2021 administration will last two days and consist of the Uniform Bar Examination components: the Multi Essay Examination (MEE), given on Tuesday; the MPT, given on Tuesday; and the MBE, given on Wednesday. Scores on the various portions of the examination will be weighted as follows: MEE, 30%; MPT, 20%; and MBE, 50%. An Applicant must earn a combined scaled score of at least 270 (out of a possible 400 points) to pass the Texas Bar Examination. A partial score on any portion of a failed examination must not be applied to any subsequent examination.

(f) An Applicant—who, after a combined total of five examinations, has failed to pass the Texas Bar Examination or earn a score of at least 270 on the Uniform Bar Examination administered in another State—cannot take another Texas Bar Examination or be admitted to the Bar based on a transferred Uniform Bar Examination score. For good cause shown, the Board may waive this prohibition.

(g) An Applicant who has failed the Texas Bar Examination more than once may submit a written request, within two weeks of the release of the Texas Bar Examination results, for a Formal Review of the Applicant’s performance on the immediately preceding Texas Bar Examination, excluding the MBE portion. A Formal Review means an individual oral review of the Applicant’s Texas Bar Examination papers by the examining Board members that takes place in Austin at a time selected by the Board. Regardless of the number of Texas Bar Examinations taken, an Applicant may receive only one Formal Review under this subsection.

(h) An Applicant who has failed the Texas Bar Examination is eligible to receive a written analysis of the Applicant’s performance on the Texas Bar Examination. The Board may determine the form and content of the written analysis.
(i) The Board must keep, for one year from the date of every Texas Bar Examination, all failing Texas Bar Examinations. The Board need not keep any part of passing Texas Bar Examinations.

Rule 12
Examinees with Disabilities

(a) The Texas Bar Examination shall be administered to all eligible Applicants in a reasonable manner, while maintaining the integrity of the Texas Bar Examination. In each city in which the Texas Bar Examination is administered, the Board shall provide facilities that are reasonably accessible and which enable persons having disabilities to take the Texas Bar Examination.

(b) Any Applicant who desires special testing accommodations based upon a disability shall submit a written request to the Board on forms designated by the Board, such request to be submitted at the same time as the Application is submitted.

(c) A request for special testing accommodations must be accompanied by written proof evidencing the existence of the disability. Statements from licensed physicians or a professional specialist that specifically set forth the physical, mental or emotional handicap or disability and the relationship between the disability and the inability to take the Texas Bar Examination under standard conditions shall be required. The Board may require additional information or evidence from the Applicant and may, at its option, seek professional evaluation of such data. The Applicant will be responsible for the cost of obtaining documented medical evidence and other required information.

(d) After considering the written request of the Applicant and the evidence submitted, the Board shall determine what reasonable special testing accommodations will be granted.

(e) Board deliberations and determinations regarding the request of an Applicant for testing accommodations on the Texas Bar Examination shall be closed to the public and associated records are confidential. However, this does not limit the Board’s option under subsection (c) to seek professional evaluation of any confidential information supplied by Applicants.

§8 Admission to Bar
If a person certified as a Foreign Legal Consultant under this Rule is subsequently admitted to the Bar under other provisions of these Rules, the certification to practice as a Foreign Legal Consultant is superseded by the license to practice law as a person admitted to the Bar.

Rule 15
Hearings

(a) The Board shall set a time and place for a hearing on the question of the requisite moral character and fitness of an Applicant or Declarant, under the following circumstances:

(1) When any Applicant or Declarant who is the subject of an adverse preliminary character and fitness determination files a written request for such a hearing within 30 days of his or her receipt of the Board’s letter containing the notice of such determination; or

(2) When the Board determines that, in the interest of fairness, such a hearing is necessary regardless of whether the Applicant or Declarant files a timely request for hearing.

(b) If there are pending proceedings involving the Applicant or Declarant, the resolution of which could affect the determination of his/her character and fitness, the Board may exercise its discretion to defer the hearing until such time as the pending proceeding is resolved.

(c) Board hearings, deliberations, and determinations relating to the moral character and fitness of an Applicant or Declarant shall be closed to the public and records relating to these subjects are confidential. On written request of an Applicant or Declarant, however, the Applicant or Declarant is entitled to have the hearing open to persons designated by the Applicant or Declarant.

(d) Reasonable notice of the time and place for the hearing may be served
electronically if the email address of the party or attorney to be served is on file with the Board. Any notice not served electronically may be served in person, by mail, by commercial delivery service, by fax, by email or by such other means as the Board may direct.

(e) An Applicant or Declarant, either before or after receiving notice of a hearing, may agree to waive the hearing, stipulate to the facts regarding good moral character and fitness, and allow the Board to proceed with making a final determination as to the Applicant’s moral character and fitness under these Rules. An Applicant may additionally agree to a Probationary License and to any conditions imposed by the Board to protect the public.

(f) At the hearing:

(1) The Board shall have the burden of proof and be required to present evidence that the Applicant or Declarant does not have the requisite good moral character or fitness. Upon the admission of such evidence, the burden of proof shall shift to the Applicant or Declarant to show that the Applicant possesses good moral character and fitness as defined in these Rules. However, in a redetermination hearing on a Probationary License, the burden of proof shall be on the Probationary Licensee to demonstrate that (s)he has complied with the conditions of the Probationary License.

(2) The Applicant or Declarant shall be given the opportunity to be present in person and by attorney, to present evidence, to confront and to cross-examine adverse witnesses, and to present argument to the Board on the issues of law and fact; provided, however, that evidence otherwise inadmissible may be admitted if the evidence is of a type on which a reasonably prudent person commonly relies in the conduct of the person’s affairs.

(g) In connection with hearings conducted under this Rule, the Board shall have the authority to administer oaths, issue subpoenas, take depositions, and employ court reporters.

(h) After the hearing, in closed deliberations, the Board may:

(1) determine that an Applicant or Declarant has the requisite present good moral character and fitness and, in the case of an Applicant, should be recommended for admission to the Bar;

(2) determine that a Declarant should be granted conditional approval of his or her present good moral character and fitness and be required to meet such conditions as the Board deems appropriate;

(3) determine that an Applicant should be granted conditional approval of his or her present good moral character and fitness and be recommended for a Probationary License subject to Rule 16, after meeting all other requirements
of these Rules;

(4) determine that an Applicant or Declarant does not possess the requisite present good moral character and fitness required for admission to the Bar;

(5) defer a decision until such time as the Board has the opportunity to consider further information, evaluations, or documentation as deemed necessary by the Board; or

(6) in the case of a Probationary License, recommend to the Supreme Court that the license should be renewed in its present form, renewed with additional or amended conditions, or revoked and no regular license be issued.

(i) Within a reasonable period of time after the decision is made, the Board shall furnish to the Applicant or Declarant a written order setting forth the decision of the Board. If the decision is adverse, such order shall specify the bases of the Board’s determination and shall include an objective list of actions, if any, the Applicant or Declarant may take to become qualified for a license to practice law in Texas. Any such order containing a determination that the Applicant or Declarant suffers from chemical dependency shall include provisions setting out the rights under Section 82.038, Texas Government Code. The Board’s order may be served electronically if the email address of the party or attorney to be served is on file with the Board. Any notice not served electronically may be served in person, by mail, by commercial delivery service, by fax, by email or by such other means as the Board may direct.

(j) An individual who has been the subject of a Board order containing an adverse character and fitness determination may petition the Board in writing for a redetermination hearing subject to Rule 15 on the issue of character and fitness, as follows:

(1) No petition for redetermination may be filed earlier than the date specified in the Board’s order (or if none, then no earlier than 12 months from the date of the hearing), nor more often than once every 12 months.

(2) Such individual shall have the burden of proof as to rehabilitation and the possession of present good moral character and fitness.

(3) Such individual shall complete and file with the Board a Supplemental Investigation Form and pay the requisite fees therefore within 30 days of the filing of the redetermination petition.

(4) This subsection shall not apply to character and fitness redeterminations in Probationary License cases, which are governed under Rule 16.

(k) The following provisions shall govern judicial review of the Board’s decisions:

(1) The affected Applicant or Declarant shall institute, in the district courts of
Travis County, Texas proceedings for review of such decision within 60 days after the date the written decision is sent to the Applicant.

(2) The petition for review shall name the Board as defendant and shall be served on the Executive Director of the Board.

(3) After service of such petition, and within the time permitted for filing an answer, the Board shall file with the district court a certified copy of the record of the Board’s proceedings.

(4) The review of the Board’s decision shall be tried by the court without a jury.

(5) The court shall determine from the certified record on file whether or not the Board’s decision is reasonably supported by substantial evidence. The reviewing court may affirm the action complained of or remand the matter to the Board for further proceedings.

(6) Appeals from any final judgment of the court may be taken by either party in the manner provided for in civil actions generally, but no appeal bond shall be required of the Board.

(l) The Board shall have the authority to adopt such other rules of procedure for character and fitness hearings, not inconsistent with these Rules, as the Board deems necessary or appropriate to implement these Rules.

(m) Decisions of the Board on matters other than character and fitness following a hearing under this Rule shall not be subject to judicial review unless another statute or rule specifically provides to the contrary.

(n) The Board may assess costs against any Applicant or Declarant who has been sent reasonable notice of a hearing before the Board and who does not appear.

Rule 16
Probationary Licenses

(a) The Board shall have the authority to grant conditional approval of the present good moral character and fitness of an Applicant and to recommend the granting of a Probationary License, after the Applicant meets all other requirements under these Rules, in the following circumstances:

(1) when the Board determines that the Applicant suffers from chemical dependency or has been convicted of, or is on probation for, a first offense of driving while intoxicated under Texas Penal Code §49.04; or

(2) in other circumstances in which, on the record before it, the Board determines that the protection of the public requires the temporary monitoring of the Applicant in question.

(b) The Board shall not have authority to refuse to recommend the granting of a
Probationary License to an Applicant who has passed the applicable bar examination solely because the Applicant suffers from chemical dependency or has been convicted for a first offense for driving while intoxicated under Texas Penal Code §49.04.

(c) In any order recommending the issuance of a Probationary License to practice law, the Board shall specify the conditions of the license, which may include, but are not limited to, the following:

(1) prohibiting the use of alcohol or controlled substances;
(2) requiring treatment for chemical dependency;
(3) requiring the individual to practice law under the supervision of an attorney admitted to the Bar;
(4) requiring submission to periodic, random drug testing;
(5) requiring the individual to report periodically to the Board;
(6) requiring suspension, for any portion of the probationary period, of an activity for which a license to practice law is required;
(7) requiring the individual to reside continuously in Texas during the period of the Probationary License, unless for good cause shown, the Board waives such requirement; or
(8) requiring the individual to take specific actions designed to cure or end any deficiencies in his or her moral character and fitness, as determined by the Board.

(d) Probationary Licenses shall expire as follows:

(1) A Probationary License issued solely because of the Board’s determination that the individual suffers from chemical dependency shall expire on the second anniversary of the date on which it is issued, unless temporarily extended hereunder.

(2) Any other Probationary License shall expire on the date specified by the Board in the order recommending issuance of the Probationary License, unless temporarily extended hereunder.

(3) The term of a Probationary License may be temporarily extended, upon the request of the Probationary Licensee, in the event that the normal expiration date falls before the Board has had the opportunity to make a redetermination as provided hereunder.

(e) A Probationary Licensee may apply for a renewal of the Probationary License or for a regular license to practice law, by filing a written request and a Supplemental Investigation Form and the requisite fees, at least 60 days before the expiration date of the Probationary License.
(f) The Board shall require any Probationary Licensee issued a Probationary License because of a determination of chemical dependency, before the redetermination hearing, to submit to an evaluation, at the sole cost of the Probationary Licensee, by a licensed mental health professional designated by the Board.

(g) After a hearing held subject to Rule 15 on the redetermination of the character and fitness of a Probationary Licensee, the Board may:

1. recommend, upon a finding of the requisite present good moral character and fitness, the issuance of a regular license to practice law in Texas; provided, however, that in any case in which a Probationary License was issued on the basis of chemical dependency, the Board shall not recommend the Probationary Licensee for regular admission until the Board finds that the Probationary Licensee has successfully completed treatment and has been free from chemical dependency for the preceding two years;

2. recommend, upon a finding that a condition of the Probationary License has been violated:
   (A) extension of the Probationary License; or
   (B) termination or immediate revocation of the Probationary License.

(h) The Board shall initiate and maintain a working relationship with the Lawyers Assistance Program or similar program of the Bar in order to provide for the evaluation and referral to treatment for those persons issued a Probationary License hereunder. The treatment and professional evaluation shall be at the sole expense of the Probationary Licensee.

(i) The Board shall initiate and maintain a working relationship with the Bar to coordinate disclosure of information concerning an individual’s status as a Probationary Licensee. On request, the Board, in coordination with the Bar, shall inform a member of the public whether a particular individual is a Probationary Licensee. This disclosure may occur via the official website of the Bar or other means reasonably available to members of the public. Any information that forms the basis for the issuance of a Probationary License is confidential, as required by statute.

(j) A person whose Probationary License has been terminated or revoked upon recommendation by the Board must begin the licensure process anew in accordance with the Board order recommending such termination or revocation if the person wishes to attempt re-licensure.

**Rule 17**

**Issuance of License Certificates and Cancellation of License Unlawfully Obtained**
(a) Upon an Applicant’s becoming entitled to a license under these Rules, the Board must certify the Applicant to the Supreme Court, whose Clerk will issue the corresponding license in the form of a written certificate. The license may be issued only in the name shown on a valid, government-issued identification card, except that a given name may be omitted or represented by an initial if the Applicant so requests in writing. No license may be issued using an alias, assumed name, nickname, or abbreviation of a name.

(b) All law licenses are issued on the condition that the Applicant has faithfully complied with these Rules. If at any time it appears that an Applicant has obtained a license fraudulently or by willful failure to comply with these Rules, after notice and hearing, the Board may recommend to the Supreme Court that the license be withdrawn and canceled, and the name of the license holder stricken from the roll of attorneys.

(c) No license issued under this Rule is valid unless the license holder has paid all required fees and has enrolled in the Bar in compliance with the State Bar Rules.

(d) The license certificate belongs to the Supreme Court and must be surrendered to the Court upon proper demand.

Rule 19
Requirements for Participation in Texas Proceedings by a Non-Resident Attorney

(a) A reputable attorney, licensed in another State or in a foreign jurisdiction but not in Texas, who resides outside of Texas may seek permission to participate in the proceedings of any particular cause in a Texas court by complying with the requirements of Texas Government Code Section 82.0361 concerning payment of a non-resident attorney fee to the Board as a mandatory initial requirement. Upon completion of this requirement and receipt of an acknowledgment issued by the Board, the non-resident attorney shall file with the applicable Texas court a written, sworn motion requesting permission to participate in a particular cause. The motion shall contain:

(1) the office address, telephone number, fax number, and email address of the non-resident attorney movant;
(2) the name and State Bar card number of an attorney licensed in Texas, with whom the non-resident attorney will be associated in the Texas proceedings, and that attorney’s office address, telephone number, fax number, and email address;
(3) a list of all cases and causes, including cause number and caption, in Texas courts in which the non-resident attorney has appeared or sought leave to appear or participate within the past two years;
(4) a list of jurisdictions in which the non-resident attorney is licensed, including federal courts, and a statement that the non-resident attorney is or is not an active member in good standing in each of those jurisdictions;
(5) a statement that the non-resident attorney has or has not been the subject of disciplinary action by the Bar or courts of any jurisdiction in which the attorney is licensed within the preceding five years, and a description of any such disciplinary actions;
(6) a statement that the non-resident attorney has or has not been denied admission to the courts of any State or to any federal court during the preceding five years;
(7) a statement that the non-resident attorney is familiar with the State Bar Act, the State Bar Rules, and the Texas Disciplinary Rules of Professional Conduct governing the conduct of members of the Bar, and will at all times abide by and comply with the same so long as such Texas proceeding is pending and said Applicant has not withdrawn as counsel therein.

(b) The motion of the non-resident attorney seeking permission to participate in Texas proceedings must be accompanied by motion of the resident practicing Texas
attorney with whom the non-resident attorney will be associated in the proceeding of a particular cause. The motion must contain a statement that the resident attorney finds the Applicant to be a reputable attorney and recommends that the Applicant be granted permission to participate in the particular proceeding before the court.

(c) The motion of the non-resident attorney must also be accompanied by the proof of payment or proof of indigency acknowledgment issued by the Board.

(d) The court may examine the non-resident attorney to determine that the non-resident attorney is aware of and will observe the ethical standards required of attorneys licensed in Texas and to determine whether the non-resident attorney is appearing in courts in Texas on a frequent basis. If the court determines that the non-resident attorney is not a reputable attorney who will observe the ethical standards required of Texas attorneys, that the non-resident attorney has been appearing in courts in Texas on a frequent basis, that the non-resident attorney has been engaging in the unauthorized practice of law in the State of Texas, or that other good cause exists, the court or hearing officer may deny the motion.

(e) If, after being granted permission to participate in the proceedings of any particular cause in Texas, the non-resident attorney engages in professional misconduct as that term is defined by the State Bar Act, the State Bar Rules, or the Texas Disciplinary Rules of Professional Conduct, the court may revoke the non-resident attorney’s permission to participate in the Texas proceedings and may cite the non-resident attorney for contempt. In addition, the court may refer the matter to the Grievance Committee of the Bar District in which the court is located.

(f) The filing of a motion under this Rule constitutes submission to the jurisdiction of the Grievance Committee for the District in which the court is located. The county in which the court is located is considered the county of residence of the non-resident attorney for purposes of determining venue in any disciplinary action involving the attorney.

**Rule 20**

**Organizational and Miscellaneous Powers of the Board**

(a) Upon completion of the tabulation of grades given on the Texas Bar Examination and approval of such tabulation by the Chairman, the grades shall be released to the examinees in the manner directed by the Board. The Deans of the Law Schools in the State of Texas shall be furnished a list of the candidates passing the Texas Bar Examination after release of results to the individual candidates. Before releasing grades to examinees, no grades shall be given by the Board by telephone to any person, nor shall any Board member or employee of the Board give grades
in person to an examinee or anyone inquiring on behalf of an examinee.

(b) Unless the Court designates the member of the Board who shall serve as Chair, the Board shall have authority to select a Chair. The Board shall select other officers from its own membership, assign their respective duties, may delegate power and authority to one or more of its members, and shall have authority to formulate the procedure of the Board.

(c) The Board shall maintain its files on Declarants and Applicants until such time as their destruction is authorized, as follows:

1. Files in which a regular license has been issued shall be destroyed five years from the date the license was issued.
2. Files in which a Probationary License has been issued but no regular license has been issued shall be destroyed 10 years from the date of the last formal activity on the file (i.e., petition for redetermination, hearing, order, expiration of last term of Probationary License, issuance of regular license following redetermination hearing, etc.).
3. Files in which a Declaration, but not an Application, has been filed shall be destroyed five years from the date the Declaration was filed.
4. Files in which an Application has been filed, but no regular or Probationary License issued, shall be destroyed five years from the date of the last formal activity on the file (i.e., re-application, examination, hearing, petition for redetermination, etc.), after inputting into the Board’s computer database pertinent and necessary data contained therein.

(d) Insofar as may be consistent with these Rules, the Board is authorized to make all reasonable regulations, including written interpretations of general application with respect to these Rules or provisions of general application for relevant subjects not covered by these Rules. The Board may also prescribe forms and certificates to be executed by Applicants for admission to the Bar, whether for a first license to practice law or as a practicing attorney of another jurisdiction, or certificates or other forms to be executed by or on behalf of the Board itself.

(e) The Board is given discretion in the interpretation and application of these Rules. For good cause shown to the satisfaction of the Board, upon written request, waivers of specific requirements described in these Rules may be granted, unless it appears that no exceptions are contemplated by the Supreme Court.

(f) The Board may, in conjunction with its investigation of moral character and fitness or the administration of the bar examination, require Declarants and Applicants to furnish a complete set of fingerprints.

(g) The Board may delegate its duties to a panel of the Board or to the staff, as necessary and where not prohibited by law; provided, however, that the Board shall
not delegate to staff its authority to make final determinations that an Applicant or Declarant lacks the requisite good moral character and fitness.

(h) The Supreme Court hereby establishes the Board of Law Examiners Fund, into which shall be deposited all fees and monies received and interest earned by the Board and which shall be used by the Board to administer the functions of the Supreme Court and the Board relating to the licensing of lawyers as directed by the Court. The Fund shall be maintained in one or more financial institutions in Texas, as designated by the Board.

(i) The Board shall have full power to contract for the performance of all of its functions, and any person dealing or contracting with the Board shall be conclusively entitled to rely upon the Board’s written determination that the expense thus incurred or contracted is for a proper function of the Board.

(j) The disbursement of funds shall be according to such rules, regulations and budgets as the Board may adopt. The Board shall keep a full record of such receipts and disbursements.

Rule 21
Civil Immunity

Without limiting, restricting, or waiving any privilege or immunity otherwise available under Texas or federal law:

(a) The Board and its members, employees, and agents are immune from all civil liability for damages for conduct and communications occurring in the performance of and within the scope of their official duties relating to the character and fitness qualification, eligibility, examination, monitoring, and licensing of Declarants, Applicants and Probationary Licensees.

(b) Records, statements of opinion, and other information regarding a Declarant, Applicant, or Probationary Licensee communicated without malice to the Board or to its members, employees, or agents by any person, entity, firm, or institution are privileged, and civil suits for damages predicated thereon are barred.

Rule 22
Registration Program for Military Attorneys on Military Assignment in Texas but not Licensed in Texas

§1 General Requirements for Registration and Limited Permission to Practice Law
Upon the Board’s approval, a military attorney who is admitted to practice law in a State other than Texas, and who is a full-time, active-duty military officer serving in the office of a Staff Judge Advocate of the United States Air Force, Army, Navy, Marines, or Coast Guard, a Naval Legal Service Office, or a Trial Service Office, located in Texas, may appear as an attorney and practice law before the courts and other tribunals of Texas in any civil proceeding, subject to the conditions and limitations in this Rule and applicable law. This Rule does not preclude a non-resident military attorney’s request under Rule 19 to participate in the proceedings of a particular cause in a Texas court.

§2 Specific Requirements
The military attorney must be of good moral character and apply for registration annually by:
(a) filing an application and paying fees in the form and manner that the Board prescribes;
(b) presenting satisfactory proof of admission to practice law and current good standing as a member of the bar in any State;
(c) complying with the training requirements in this Rule and
(d) furnishing any additional information or proof that the Board requires in the course of processing the application.

§3 Training
Permission to practice law under this Rule requires that the military attorney complete at least 15 credit hours of Accredited Continuing Legal Education (CLE) Activity, including a minimum of three hours of legal ethics or professional responsibility, within the first year of registration. The minimum of three hours of legal ethics or professional responsibility must also be completed within each subsequent year of registration. Accredited CLE Activity has the meaning assigned by Article XII of the State Bar Rules.

§4 No Bar Membership or Texas Law License Granted
Military attorneys permitted to practice law under this Rule are not, and shall not represent themselves to be, members of the Bar or licensed to practice law in the State of Texas.

§5 Termination
The military attorney’s privilege to practice law under this Rule may be terminated by the Board at any time, with or without cause. In addition, the military attorney’s privileges under this Rule shall be terminated when the military attorney ends full-
time, active-duty military service as described in Section 1. The military attorney registered under this Rule or the military attorney’s supervisory Staff Judge Advocate or other supervisory military attorney shall:

(a) advise the Board as soon as practicable of any change in the military attorney’s status that may affect the military attorney’s right to practice law under this Rule;

(b) immediately notify each court or tribunal in which the military attorney is involved in a pending civil proceeding when the military attorney is unable to continue to serve as counsel under this Rule; and

(c) immediately obtain substitution of counsel when the military attorney involved in any pending civil proceeding is unable to continue to serve as counsel under this Rule.

§6 Subject-Matter Jurisdiction, Authorized Clients, and Pleading Requirements

A military attorney granted limited permission to practice law under this Rule may, with approval of the military attorney’s supervisory Staff Judge Advocate or other supervisory military attorney, represent:

(a) enlisted military personnel in grades E-1 through E-4; and

(b) immediate family members who qualify under armed services regulations as dependents of enlisted military personnel in grades E-1 through E-4 if the military attorney’s supervisory Staff Judge Advocate or other supervisory military attorney determines that retaining civilian legal counsel for the matter in controversy would present a substantial financial hardship for the family member involved.

A military attorney granted limited permission to practice law under this Rule may represent other military personnel, as well as their immediate family members who qualify under armed services regulations as their dependents, only if the military attorney receives written approval from the Judge Advocate General of the Army, Navy, Coast Guard, or Air Force, or the Staff Judge Advocate to the Commandant of the Marine Corps, as appropriate. The written authorization must include a determination that retaining civilian legal counsel for the matter in controversy would present a substantial financial hardship for the service member or family member involved.

A military attorney granted limited permission to practice law under this Rule may not demand or receive any compensation, beyond the military attorney’s regular pay and allowances, for the legal services provided under this Rule.

The practice of a military attorney under this Rule shall be subject to the limitations and restrictions of 10 U.S.C. § 1044 and the regulations of that attorney’s military
service and shall be further limited to:

(a) cases arising under all Titles, except Title 3, of the Family Code;
(b) guardianships;
(c) landlord-tenant disputes on behalf of tenants;
(d) consumer-law cases on behalf of consumers;
(e) garnishment defenses;
(f) estate planning and probate matters;
(g) enforcement of rights under the Servicemembers Civil Relief Act;
(h) enforcement of rights under the Uniformed Services Employment and Reemployment Rights Act; and
(i) other cases within the discretion of the court or tribunal before which the civil proceeding is pending, provided that written permission of the court or tribunal is obtained in advance of the appearance.

All pleadings filed in a civil proceeding by a military attorney under this Rule shall expressly disclose that limited permission to practice in Texas has been obtained under this Rule; include the name, complete address, and telephone number of the military legal office of the military attorney representing the client and of the military attorney’s supervisory Staff Judge Advocate or other supervisory military attorney; and include the name, grade, and armed service of the military attorney who is registered under this Rule and providing representation. Upon making an appearance in a civil proceeding, the military attorney shall file a document with the court or other tribunal in which the civil proceeding is pending, designating each individual authorized to accept service of process on the military attorney’s behalf and providing the name and complete address of each authorized individual. If the military attorney does not file this document, the military attorney’s agent for service of process shall be the supervisory Staff Judge Advocate or supervisory military attorney whose name appears on the military attorney’s most recent application filed pursuant to this Rule, or the successor to that office.

§7 Discipline

A military attorney granted limited permission to practice law in Texas under this Rule is subject to the Rules Governing Admission to the Bar of Texas, the Texas Disciplinary Rules of Professional Conduct, the Texas Rules of Disciplinary Procedure, and any other rules and laws governing the discipline of attorneys admitted to the Bar. The Bar, Supreme Court of Texas, and other Texas courts have jurisdiction over the discipline of the military attorney, regardless of whether the military attorney retains the right to practice in the state, for the military attorney’s professional conduct.
while practicing in this state. This jurisdiction includes, but is not limited to, the authority—concurrent with the Board’s authority under Section 5—to terminate the military attorney’s privilege to practice law in Texas under this Rule.

**Rule 23**

**Military Spouse Temporary License**

(c) a certificate of good standing from the entity with final jurisdiction over professional discipline in each jurisdiction of admission; and
(d) any other evidence demonstrating that the Military Spouse satisfies the eligibility requirements of Section 1 that the Board may require.

§3 Certification to Supreme Court

If the Board determines that a Military Spouse has satisfied the requirements of Sections 1 and 2, the Board must recommend to the Supreme Court the temporary licensure of the Military Spouse.

Instructions for Completing Application for Testing Accommodations

Please read Rule 12 of the Rules Governing Admission to the Bar of Texas and these instructions carefully. They provide details about steps that must be followed for the Board to consider your request for testing accommodations. Accommodation Application Forms may be downloaded from the Board’s website at www.ble.texas.gov. To meet the filing deadlines specified in Rules 9(a) and 12(b), it is best to begin preparing your application forms well in advance of the timely filing deadline. Your properly completed testing accommodation application forms must be filed at the same time as your application or re-application to take the Texas Bar Examination. See Rule 9 for deadlines related to filing applications for testing accommodations.

As an applicant claiming a disability that requires testing accommodations, you must properly complete and submit the forms applicable to your disability. The burden of proof is on you to establish the existence of a disability protected by the Americans with Disabilities Act (the ADA), as well as to establish the need for testing accommodations and the reasonableness of the accommodations requested. Each application for testing accommodations is evaluated on a case-by-case basis. The Board’s objective is to provide effective and necessary accommodations to qualified applicants as defined under the Americans with Disabilities Act of 1990 as amended in 2008, without substantially altering the nature of the examination.

The ADA requires the Board to provide testing accommodations to those individuals who have a qualifying disability that substantially limits a major life activity. Although you may provide the required documentation establishing that you have been diagnosed with a disability, that does not automatically entitle you to testing accommodations on the Texas Bar Examination. Unless you establish that your disability has substantially impaired a major life activity when compared to the average person, you will not be entitled to testing accommodations on the exam.

“Testing Accommodation” means an adjustment or modification of the standard testing conditions that ameliorates the impact of the applicant’s disability on the examination process without fundamentally altering the nature of the exam, imposing an undue administrative or financial burden on the Board, compromising the security, validity or reliability of the exam, or providing an unfair advantage to the applicant with the disability.
The ADA authorizes the Board to require specific documentation and to establish procedures to evaluate that documentation in order to ensure that the applicant is an individual for whom accommodations are required under the ADA. Detailed documentation is required to establish the existence of a disability protected by the ADA and to provide the Board with all necessary information for determining the specific accommodations, if any, which are merited. The pertinent disability verification forms described below must be completed and signed by a professional who is familiar with your disability. The health care provider or other qualified professional must identify your disability, substantiate the diagnosis, describe the functional limitations it imposes on you, and detail the manner in which it limits an identified major life activity. He or she must also make recommendations about the specific accommodations you need on each segment of the examination and provide an explicit rationale for these recommendations. The Application for Testing Accommodations consists of Forms A - G, described as follows:

**Form A - Applicant Information:** Every applicant for testing accommodations must complete and file this form, simultaneous with the filing of the application or re-application for the specific exam being taken. Answer the questions in the spaces provided. DO NOT refer to an attachment as a substitute for answering a question in the space provided.

v. Note: you or your physician must submit copies of the actual medical records upon which your physician has relied in responding to Form E.

Form F – Psychological Disability Verification: This form must be filed, simultaneous with the filing of the application or re-application for the specific exam being taken, only if you have a psychological disability, other than a learning Disability or ADHD.

i. Complete the first block of information before submitting it to your licensed health care provider or other qualified professional, who must have comprehensive training and direct experience in working with the adult population.

ii. This form must be completed by a health care provider with sufficient expertise and credentials in the area of disability you are claiming.

iii. Please note that you must submit, in addition to the information requested on
Form F, a comprehensive evaluation, which demonstrates the impact of your impairment on your ability to perform on each testing component of the Texas Bar Examination under standard time conditions.

iv. Testing and assessment must be conducted by a qualified diagnostician and must have been conducted within one (1) year of the filing of the application for testing accommodations for the specific bar examination for which you are applying.

Form G – Certification of Accommodations History: This form must be filed, simultaneous with the filing of the application or re-application for the specific exam being taken, for each educational institution or testing agency from which you requested accommodations, regardless of whether accommodations were granted or denied.

i. Complete the first block of information before you submit the form to be completed by the appropriate official.

ii. You must submit a Form G, or a document with equivalent content, from each educational institution or testing agency from which you requested accommodations, regardless of whether you received accommodations.

Before making a decision regarding your accommodations, the Board’s staff may submit your application for testing accommodations and the accompanying documentation to an expert of the Board’s choice for evaluation and recommendations. After all of your materials have been appropriately evaluated, you will receive a letter from the Board telling you whether you have been granted testing accommodations. Testing accommodations applications are processed in the order received. Therefore, the earlier you file your application for testing accommodations, the earlier you will receive notification of the decision. If any portion of your application for accommodations is granted, you will receive a letter from the Board detailing the accommodations granted and including a written agreement for you to sign and return if you accept the terms.

If your application for testing accommodations is denied in whole or in part, you may appeal the decision of the staff to the Accommodations Review Committee (ARC) of the Board. In order to appeal, you must upload to your ATLAS account a letter addressed to the Executive Director of the Board, stating the specific basis of your appeal. Your appeal letter must be uploaded no later than the date and time specified in the partial grant or denial letter. The appeal will be considered by the ARC of the Board of Law Examiners in a meeting held in compliance with
applicable state law. An appeal of testing accommodations is not a hearing at which new evidence is produced or oral arguments made. It is a review, by the members of the ARC, of the record in the Board’s file relating to your application for testing accommodations, including your application and other materials required to be provided with your application, the medical and other records submitted in support of the application, and the follow-up information generated as a result of your application for testing accommodations.

Any questions about the testing accommodations application process should be directed to the applicant’s Licensure Analyst or the Testing Accommodations Staff Attorney.

Sec. 1. The powers of the Government of the State of Texas shall be divided into three distinct departments, each of which shall be confided to a separate body of magistracy, to wit: Those which are Legislative to one; those which are Executive to another, and those which are Judicial to another; and no person, or collection of persons, being of one of these departments, shall exercise any power properly attached to either of the others, except in the instances herein expressly permitted.

Government Code
Title 2. Judicial Branch
Subtitle G. Attorneys
Chapter 82. Licensing of Attorneys
Subchapter A. Board of Law Examiners

Tex. Gov’t Code §82.001. Board of Law Examiners
(a) The Board of Law Examiners is composed of nine attorneys who have the qualifications required of members of the supreme court.
(b) The supreme court shall appoint the members of the board for staggered six-year terms, with the terms of one-third of the members expiring May 31 of each odd-numbered year. A member is subject to removal by the supreme court as provided by Section 82.0021.
(c) Appointments to the board shall be made without regard to the race, color, disability, sex, religion, age, or national origin of the appointees.

Tex. Gov’t Code §82.002. Conflict of Interest
(a) In this section, “Texas trade association” means a cooperative and voluntarily joined statewide association of business or professional competitors in this state designed to assist its members and its industry or profession in dealing with mutual business or professional problems and in promoting their common interest.
(b) A person may not be a member of the Board of Law Examiners and may not be a board employee employed in a “bona fide executive, administrative, or professional
capacity,” as that phrase is used for purposes of establishing an exemption to the overtime provisions of the federal Fair Labor Standards Act of 1938 (29 U.S.C. Section 201 et seq.), and its subsequent amendments, if:

(1) the person is an officer, employee, or paid consultant of a Texas trade association in the field of board interest; or

(2) the person’s spouse is an officer, manager, or paid consultant of a Texas trade association in the field of board interest.

(c) A person may not be a member of the board or act as the general counsel to the board if the person is required to register as a lobbyist under Chapter 305 because of the person’s activities for compensation on behalf of a profession related to the operation of the board.

(d) A member of the board who has a financial interest, other than a remote financial interest, in a decision pending before the board is disqualified from participating in the decision.

Tex. Gov’t Code §82.0021. Removal of Board Members

(a) It is a ground for removal from the Board of Law Examiners that a member:

(1) does not have, at the time of taking office, the qualifications required by Section 82.001;

(2) does not maintain during service on the board the qualifications required by Section 82.001;

(3) is ineligible for membership under Section 82.002;

(4) cannot, because of illness or disability, discharge the member’s duties for a substantial part of the member’s term;

(5) is absent from more than half of the regularly scheduled board meetings that the member is eligible to attend during a calendar year without an excuse approved by a majority vote of the board;

(6) is incompetent; or

(7) is inattentive to the member’s duties.

(b) The validity of an action of the board is not affected by the fact that it is taken when a ground for removal of a board member exists.

(c) If the executive director of the board has knowledge that a potential ground for removal exists, the executive director shall notify the presiding officer of the board of the potential ground. The presiding officer shall then notify the supreme court that a potential ground for removal exists. If the potential ground for removal involves the presiding officer, the executive director shall notify the next highest ranking officer of the board, who shall then notify the supreme court that a
potential ground for removal exists.

**Tex. Gov’t Code §82.003. Open Records and Open Meetings**

   (1) have the applicant’s character and fitness hearing open to persons designated by the applicant; or

   (2) have disclosed to the applicant records relating to the applicant’s own moral character and fitness unless the person who supplied the information has requested that it not be disclosed.

(d) The board shall not inquire of a person who supplies information relating to an applicant’s moral character and fitness whether the person objects to disclosure nor inform the person of the right to object.

(c) The board may not recommend any person for a license to practice law unless the person has shown to the board, in the manner prescribed by the supreme court, that the person is of the moral character and of the capacity and attainment proper for that person to be licensed.

(d) On written request of an applicant who fails an examination administered by the board, the board shall give the applicant an oral or written analysis of the applicant’s performance on the examination. The applicant may record an oral analysis.

(b) The policy statement must include:

1. personnel policies, including policies relating to recruitment, evaluation, selection, training, and promotion of personnel, that show the intent of the board to avoid the unlawful employment practices described by Chapter 21, Labor Code; and

2. an analysis of the extent to which the composition of the board’s personnel is in accordance with state and federal law and a description of reasonable methods to achieve compliance with state and federal law.

(c) The board shall notify each first-year law student who files the declaration not later than the date established by supreme court rule of the board’s decision as to the student’s acceptable character and fitness. The board shall notify all other declarants not later than the date established by supreme court rule whether or not it has determined that the declarant has acceptable character and fitness.

The Board may seek advice and consultation from the Lawyers’ Assistance Program of the State Bar of Texas or a similar program of the state bar in designating mental health professionals qualified to conduct evaluations of declarants who may suffer from chemical dependency.

(b) If the board determines that the applicant does not have the requisite good moral character and fitness, the board, not later than the 150th day after the day on which the application is filed, shall furnish the applicant an analysis of the character investigation that specifies in detail the results of the investigation. The analysis must include an objective list of actions the applicant may take to become qualified for a license to practice law.

(c) If the board determines that an applicant may suffer from chemical dependency, the board shall require the applicant to submit to evaluation by a licensed mental health professional designated by the board. (b) Except as provided by Subsection (e), a nonresident attorney requesting permission to participate in proceedings in a court in this state shall pay a fee of $250 for each case in which the attorney is requesting to participate. The attorney shall pay the fee to the Board of Law Examiners before filing with the applicable court a motion requesting permission to participate in proceedings in that court as provided by rules adopted by the supreme court.

(c) Fees under this section shall be collected in the same manner as other fees collected by the Board of Law Examiners. The board shall remit the fees collected under this section to the comptroller not later than the 10th day after the end of each calendar quarter.

(d) The comptroller shall deposit the fees received under this section to the credit of the basic civil legal services account of the judicial fund for use in programs approved by the supreme court that provide basic civil legal services to the indigent.

(e) The supreme court may adopt rules to waive or reduce the fee required by this section for a nonresident attorney who seeks to represent an indigent person in proceedings in a court in this state.

(f) A nonresident attorney who files a motion requesting permission to participate in proceedings in a court in this state shall provide to that court proof of payment of

4. conduct oneself with integrity and civility in dealing and communicating with the court and all parties.

(b) The oath shall be endorsed on the license, subscribed by the person taking the oath, and attested by the officer administering the oath.

**Tex. Gov’t Code §82.038. Probationary License for Applicant Suffering from Chemical Dependency**

(a) If, after a moral character and fitness assessment, the Board of Law Examiners determines that the applicant suffers from chemical dependency, the board shall notify the applicant of its determination and of the applicant’s rights under this section.

(b) To obtain judicial review of the board’s determination that the applicant suffers from chemical dependency, an applicant must file a petition in the district court of Travis County before the 60th day after the date that the board delivers notice of its determination. The petition must name the board as a defendant and be served on the executive director of the board. Before the date on which the applicant may obtain a default judgment against the board, the board shall file with the district court a certified record of the proceedings before the board.

(c) A party is not entitled to a jury in a judicial review of the board’s determination that an applicant suffers from chemical dependency. The court may not substitute its judgment for that of the board as to the weight of the evidence on questions submitted to the board’s discretion but shall affirm the board’s decision if the decision is reasonably supported by substantial evidence in view of the reliable and probative evidence in the record as a whole.

(d) The board may not deny a person who successfully takes the bar examination a probationary license to practice law solely because the person:

(3) supervision of the person’s work by a licensed attorney;
(4) submissions to periodic drug testing;
(5) periodic reporting by the person to the board; or
(6) suspension, for a portion of the probationary period, of an activity for which a license to practice law is required.

(f) A probationary license issued under this section expires on the second anniversary of the date on which the license is issued. A person who holds a probationary license may apply for a renewal of the probationary license or for a regular license to practice law. The board, after redetermination of the character and fitness of a person who holds a probationary license, may recommend to the supreme court that it grant the person a regular license to practice law. The redetermination must include an evaluation of the person by a treatment facility. The board may not recommend to the supreme court that the person be granted a regular license to practice law unless the board finds that the person has successfully completed treatment and has been free from chemical dependency for the preceding two years.

(g) The supreme court shall adopt rules under which the board and the State Bar of Texas jointly develop and fund a program for evaluation and referral to treatment for persons who have been issued a probationary license under this section.

(h) A probationary license may be immediately revoked if the person violates a condition of probation imposed by the board.

(i) On request, the board in coordination with the State Bar of Texas shall inform a member of the public whether a particular person holds a probationary license. Any information that forms the basis for the issuance of the probationary license is confidential.
